## Recreation

**ALPINE OR DOWNHILL SKIING**—The Wisp Ski area, located at Deep Creek Lake, is Maryland's largest ski area. With an elevation of 3,080 feet and a vertical rise of 600 feet, Wisp provides excellent skiing for young and old, beginner or expert. There are several major ski runs and challenging trails on the 220 acres of mountainside. The longest single run is 2 miles. Several lifts are in operation, including two double chairs, rope tow, poma and T-bar lifts. A modern comfortable base lodge houses a cafeteria, ski rental shop, repair shop, Rudy's Ski Shop and the Wisp Ski School.

Ski classes are available in private and group sessions, including lessons for children. Dormitory accommodations are also available as well as the many motel facilities in the area. Snowmaking equipment has been expanded to supplement the natural snowfall of the area. Lights illuminate the mountain for night skiing several nights each week. Nightly entertainment is available. The ski season runs from early December to the middle of March.

**BOATING ON DEEP CREEK LAKE**—Nearly every type of boat from sailboat to

speedster can be seen on Deep Creek Lake. All marinas have boats available for rental. Prices vary according to the size of the boat. Sailing on the lake is exceptional with a marina offering sailboat rentals.

Row boats only are permitted on the lake at Herrington Manor State Park, New Germany State Park and Savage River Reservoir. Rentals are available from the park superintendent at Herrington Manor and New Germany.

The following are the Department of Natural Resources regulations applicable to Deep Creek Lake:

1. All vessels on said Lake shall carry one Coast Guard approved life preserver, buoyant vest, ring buoy or buoyant cushion, for each person on board.
2. No vessel, exceeding thirty (30) feet in length shall be operated on said lake. Length shall be determined by measuring the greatest overall length stem to stern.
3. No vessel, other than an authorized patrol vessel shall use a siren on said lake.
4. No houseboats of any description shall be permitted on the waters of said lake.
5. No garbage, sewage or other like waste material may be dumped, discharged or otherwise placed in the waters of said lake from any vessel.
6. No vessel, except those manually propelled, shall be operated from yellow buoys which designate wharves, piers, docks and bathing beaches on said lake, except for departure and landing. The positioning of said buoys on the waters of the lake shall be determined by the Department of Natural Resources.
7. No aircraft of any description shall be permitted to land, or remain or take off from the waters of said lake without written permission first having been secured from the Department of Natural Resources and the Pennsylvania Electric Company.
8. Running lights must be carried after dark.
9. Water Skiing: No person shall operate any machinery-propelled vessel for the purpose of towing a person or persons on water on water skis or aquaplane or similar device unless the operator of the boat is at least twelve (12) years of age and there is in the vessel another person at least twelve years of age to observe

the progress of the person being towed. No towing shall take place between the hours of sunset and sunrise.

10. All boats must display proper boat registration numbers which must be at least three inches high and a color which will contrast with the background.
11. Sail ice boats are permitted in the winter. They **must be sail powered only**.
12. During the period from 12 o'clock noon until sunset on each and every Saturday and Sunday and every holiday officially recognized by the State, a vessel may not tow a person on any ski aquaplane or similar device, in any of those areas of Deep Creek Lake as hereinafter described:  
North Glade Cove—All that portion of North Glade Cove lying eastward of a line beginning at a point on the South shore 118 degrees True, 1.2 miles from Glendale Church and running 330 degrees True to the north shore of the cove.
13. Speed limit—Meadow Mt. Run: A person may not operate a vessel at any time at a speed in excess of 6 knots or at any time tow a person on any ski, aquaplane or similar device, in the area of Meadow Mt. Run lying east of Meadow Mt. Bridge as it enters Deep Creek State Park.

Besides knowing the above regulations, several rules of the road must also be adhered to. For instance:

- A. Meeting—When meeting head-on, each boat should steer to the right and pass the other on the port or left side.
- B. Overtaking—The boat being overtaken always has the right of way.
- C. Sailboats—Sailing vessels with no motor power have the right of way over power boats except when passing motor boat.
- D. Be courteous to those on shore and on docks since your close approaches can be highly annoying.

**CAMPING**—Whether you prefer tent, trailer or open-air camping, you'll find just what you are looking for in Western Maryland. A listing of camping areas can be found under "Campsites" in the Directory of Services in this booklet. Additional information can be obtained from the Deep Creek Lake-Garrett County Promotion Council in Oak-

land, Maryland 21550 or by phoning (301) 334-3888. During the summer, information may also be obtained from the Information Booth along Route 219 at Deep Creek Lake, (301) 387-6171.

Most of the privately owned camp areas will permit pets and will accept reservations. Trailer hookups are provided in privately owned campgrounds. The following is a listing of privately operated areas:

Double G Ranch .....	387-5481
Glen Acres .....	387-5149
Lake Forest Campground .....	387-5522
Monkey Lodge Hill Campground .....	387-5020

Primitive campers may set up in the Potomac State Forest along the Potomac River and on Backbone Mountain, Garrett State Forest designated area, and the Savage River Forest designated areas.

**CROSS-COUNTRY SKIING**—Also known as Nordic Skiing or ski touring, cross-country skiing combines skiing with the pleasures of hiking. With over 75,000 acres of public land, Garrett County is a haven for the growing number of cross-country ski enthusiasts. New Germany State Park offers cleared and marked trails beginning in the

water lake, Deep Creek Lake, is the center of fishing activity in the region. Ice fishing is also very popular in the winter months. Even the novice fisherman will find that he, too, can be successful.

Trophies are given for the season's largest catches. Weekly winners are also given prizes. Fish must be registered at Johnny's Bait House, along Route 219 near McHenry, Maryland.

**Trout**, 4 lbs., 8 oz., 21½ inches—Edward Frankhouser, 13 N. 11th Street, Oakland, Maryland 21550.

Increasingly, ice fishing has become a favorite winter pastime on Deep Creek Lake. The best months are January and February. The favorite catch is yellow perch, although pike, walleye, pickerel and an occasional trout are also caught. The best way to go is to bring your axe and fishing supplies, chop a

hole in the ice, drop your line and wait for your bite!

1. No vehicle except emergency vehicles shall be permitted on the ice of Deep Creek Lake at any time and,
2. No swimming or diving shall be permitted in any area of Deep Creek Lake where the waters are covered by ice.
3. Sail-powered ice boats only, when ice permits.

**GOLF**—Garrett County features two 18-hole golf courses. The Oakland Country Club, which is open from April to October, offers a pro shop as well as Club House with dining room. This course is 10 miles from

Deep Creek Lake, approximately one mile from Oakland on the Oakland-Sang Run Road. The annual Western Maryland Amateur Golf Championships are held here each year.

The Village Green is located at the Village Inn at the base of the ski slopes at Wisp Ski Area in McHenry. Open from late March to early November, the Village Green offers a pro shop, driving range and a dining room at the Inn.

Both golf courses also feature rental equipment and lessons. See the display advertisements in this Guidebook for further information on these golf courses.

**HUNTING**—Garrett County has long been noted for its excellent hunting. There are many thousands of acres of unspoiled forests offering good hunting to all. Areas open to the public include Mt. Nebo Wildlife Area, Deep Creek State Park, Garrett State Forest and the Potomac State Forest. These combine to make a total of over 75,000 acres of public hunting land maintained by the State. Deer hunting in Garrett County has always been popular. Garrett County also offers a fall and spring turkey season as well as a fall small game season. Rabbits, grouse and squirrels abound in the area. Local sporting goods stores will provide licenses and supplies.

**PICNICKING**—All state parks and recreation areas have picnic areas. The Bear Creek Fish Hatchery, located north of Accident, offers ideal picnicking facilities. Several state roadside park locations are to be found in the area: Route 40, three miles west of Grantsville; Route 219 four miles south of Keyzers Ridge overlooking the Cove; Route 219 3.3 miles north of Oakland; Route 50, 4.5 miles west of Gorman.

**SNOWMOBILING**—The fun sport of snowmobiling is prevalent in Garrett County just like most other areas of the nation where a large amount of snowfall is realized during the winter. The exciting sport thrills both young and old, and has brought many indoor sports fans to the great outdoors.

Snowmobiling is permitted in the Deep Creek State Park and portions of New Germany State Park. Snowmobiles are not rented at the parks so one must bring his own. Rentals are available from some busi-

nesses around the Lake area. Maps of existing trails and general information is available from the State Forest offices or the Promotion Council office.

**SWIMMING**—One of the most popular of all summer sports, there are four public swimming areas in the county. Deep Creek Lake State Park features an 800-foot sandy beach with lifeguards on duty during the summer months. A bath house, concession building and picnic area are also available. New Germany State Park, south of Grantsville, has a 13-acre lake with 600 feet of beach. Lifeguards, rental rowboats and a picnic area are also featured. Herrington Manor State Park near Swallow Falls features a 53-acre lake with 400 feet of sandy beach. Rental rowboats, paddle boats, picnic area, bath house, concession building and on-duty lifeguards combine to make your visit a memorable one. Recently completed Broadford Recreation Area near Mt. Lake Park, has a 138-acre lake with 600 feet of beach, bath house, picnic area, concession building and lifeguards on duty through the summer.

**TENNIS**—Mt. Lake Park Tennis Club, Mt. Lake Park, MD 21550, is located one mile east of Oakland on Route 135. Four clay courts are open to the public except during tournament periods. Nominal fee for court use. Tennis coach in charge mid-June through Labor Day. Private or group lessons available. After 9:30 a.m. phone the coach at the courts, 334-4641 for reservations, lesson appointments or information.

## Things to See

**BEAR CREEK FISH REARING STATION**—The history of Garrett County is closely associated with its excellent trout fishing. From the early 19th century on, sportsmen have come to the area after trout. Many records of phenomenal catches still exist. At the Bear Creek Fish Rearing Station, visitors can see the future catches in all stages of growth, from fingerlings up to 14-inch prizes. The pools are located in a green glade with large trees and visitors may picnic if they wish.

**BROADFORD RECREATION AREA**—A delightful park outside Oakland in Mt. Lake Park off Pittsburgh Avenue, this area boasts a 138-acre lake with 600 feet of beach. There is a bath house, concession building, boat ramp for rowboats, and extensive picnic grounds. The emphasis is on bathing, picnicking and fishing.

Owned and operated by the town of Oakland, a nominal admission fee is charged.

**CRAFTS**—In recent years, there has been a resurgence in the popularity of original

crafts and handcrafted items. There are several places in Garrett County which serve as outlets to countless area craftsmen. All places are open to the public and you are encouraged to visit and see examples of original handcrafted items. Demonstrations of various crafts are scheduled throughout the year at Penn Alps in Grantsville. Examples of weaving, woodworking, wood carving, clock making, casting and forging as well as many other crafts are demonstrated. Check with local outlets for time of demonstrations. They are listed in the Directory of Services.

**DEEP CREEK LAKE**—Vacationers will find Deep Creek Lake the center of Garrett County's recreational attractions—the most ideal spot for a summer or winter vacation. The largest fresh-water lake in Maryland, it is 12 miles in length with a shoreline of 65 miles covering nearly 3,900 acres.

A wide variety of activities abound, including boating, water skiing, fishing, swimming, hiking, picnicking, sailing, downhill

and cross-country skiing, snowmobiling and skating.

Guests will find a number of campgrounds in the area. Motels, cottages and condominiums also dot the shoreline, providing excellent accommodations. Some provide dock facilities, sandy beaches and swimming areas. Deep Creek Lake and the surrounding area also boast some of the finest dining establishments in the State.

Built in 1925 by the Youghiogheny Electric Company, the lake was purchased by the Pennsylvania Electric Company in 1942. It is now leased to the Maryland Inland Fish and Game commission for the nominal fee of one dollar a year. The lake is managed by the Maryland Department of Natural Resources.

**DEEP CREEK YACHT CLUB ON TURKEY NECK**—During the season, races held every Saturday and Sunday can be seen from vantage points below the Glendale Bridge. Even if you are not a participant, the view of dozens of sailboats skimming the lake in competition is breathtaking. Maryland State Rebel, Jet 14 and Flying Scot Championships are annually held at Deep Creek Lake. (One of America's foremost sailboat designers chose Garrett County as his home! The Flying Scot designer, Gordon K. Douglass, also designed the Thistle and the Highlander.) An invitational event, the Maryland State Championship Invitational Regatta, is held each year.

**THE COVE**—Traveling on Route 219, you can see a panoramic view of one of the finest farming districts in the area. At a 2,800-foot elevation on the highway, the cove appears to be a huge amphitheatre, surrounded on all sides by mountain ranges. Farms are laid out in soil-conserving contour strips. During the

spring, summer and fall, an artist's painting could not be more picturesque. If travelling on Route 219, the Cove scenic overlook is located a few miles north of Accident. The view is highly recommended.

## GARRETT COMMUNITY COLLEGE—

The two-year college offering *transfer programs* in science, math social services, humanities, education, and *technology programs* in business, secretarial, construction, maintenance, veterinary science, coal mining and wildlife management. GCC participates in intercollegiate athletics. The college is located in McHenry, adjoining Deep Creek Lake and the Wisp Ski area. For information, call (301) 387-6666 or write GCC, McHenry, Maryland 21541.

**INFORMATION BOOTH**—The Information Booth is located on Route 219 at Deep Creek Lake. It is operated by the Deep Creek Lake-Garrett County Promotion Council during the summer months. Its purpose is to direct visitors to their chosen recreation area, motel, cottage, friend's home, restaurant, service station or store. The staff is asked anything from "How much water is in the lake," to "Where are the fish biting today?" The girls will always be as helpful as they can. They are supplied with the latest available information on fishing conditions, motel and cottage vacancy information, the weather and temperature, boat rental information and camping information.

Any time a visitor to Garrett County needs information of any type; he is invited to stop at, or call the Information Booth at 387-6171, or call the Promotion Council at (301) 334-3888.

Winter sports fans are invited to call the Council for ski reports, road conditions, and weather conditions.

Tourist Information is also available at Keyser's Ridge Auto/Truck Stop on Routes 40 & 219 intersection in Accident.

**MAPLE SUGAR**—Sugaring is older than the history of our nation. Indians tapped the trees long before the white man arrived. The art of sugaring is still practiced in Garrett County, basically unchanged from the Indian Days. Although one may see tractors instead of horses, the production techniques are much the same. In spite of the fact that a maple must be 40 years old before it can be tapped, many groves still exist in Garrett County. One of the most beautiful is Breneman's Grove, located near Bittinger. Sugaring takes place in late winter or early spring and authentic Garrett County maple sugar is available from several stores in the area.

**MUDDY CREEK FALLS**—Muddy Creek Falls is in the Swallow Falls State Park within the Garrett State Forest. At 64 feet, it is the highest waterfall in the State of Maryland, and an area of scenic perfection. Framed by tall steep slopes covered with giant hemlock, it is an area of noble primitiveness.

The land beside the falls is the site of the 1918 camp of pioneer motor tourists, Henry Ford, Thomas Edison and Harvey Firestone. These three titans of American industry, who had the world to pick from, chose to come to this site when they wanted to enjoy themselves. The site of the camp has been marked. The trio returned in 1921.

Situated in a cool, towering forest, the area has complete facilities for camping and picnicking. This 64-foot cataract is highly recommended to the nature lover and camera buff.

**PENN ALPS**—Penn Alps is an organization dedicated to serving residents of the Allegheny Mountains, with Garrett County lying in the heart of the area served. It operates the largest handicraft marketing facility in this mountain region, in conjunction with a restaurant containing four dining rooms. The Alpine Room, which was added in 1969, is graced by a huge fireplace of stone dressed in 1818, exposed beams and bay windows green with plant life.

Situated on U. S. 40, just east of Grantsville, Penn Alps is conveniently located for tourists and has parking facilities for same. During the summer months, June through August, handicraft demonstrations and classes dot the Penn Alps "campus" of several acres.

**RUTH ENLOW LIBRARY OF GARRETT COUNTY**—This county library system includes the main library in Oakland, branches in Grantsville and Accident, and community libraries in Friendsville, Kitzmiller and Finzel. Library users (including visitors) in any part of the county may borrow from the collection of 60,000 hard-bound and 4,000 paperback books, over 150 magazines and 2,000 phonograph records. TWX connections make it easy to borrow needed materials also from the libraries in

Movies, video and audio cassettes, filmstrips, slides, jigsaw puzzles and framed prints are available for home use. Art exhibits, film programs, story hours and other activities provide year round cultural enrichment and entertainment. For more information call (301) 334-3996.

**SAVAGE RIVER**—A most aptly named river. For the whitewater paddler, the Savage is narrow, mean and harrowing and almost completely whitewater for 5½ miles. To run the Savage, contact the Upper Potomac River Commission about dates and times of releases from the Savage River Dam. The road from the Savage River Dam to Bloomington parallels the river for most of the run.

One of Maryland's largest, the Savage River Dam is 1,050 feet long, rising 184 feet above the stream bed. Stream flow from the dam is controlled by a concrete-lined tunnel

Friendsville, where it feeds the Youghiogheny Reservoir, a recreation and flood-control project of the Army Corps of Engineers. The State of Maryland is moving to preserve the Youghiogheny and keep it in its natural state. Many parts of the river and reservoir offer excellent fishing. Trout and bass are favorite catches.

Swallow Falls on the Youghiogheny River and Garrett State Forest bordering the river offer several miles of hiking trails as well as camping sites. ■

# State Forests & Parks

## Camping Hours

Occupancy can take place between the hours of 8:00 a.m. and 10:00 p.m. Campers will not be permitted to enter the camping area after 10:00 p.m. Check out time is 3:00 p.m.

## Trailers

Camping trailers up to 29 feet in length are permitted. House trailers are not permitted.

## Improved Campgrounds

Each campsite allows sufficient room to park one car and a camping trailer, or to park one car and erect a tent up to 16'. (Sometimes off-site parking is necessary.) A picnic table and grill are provided at each site, and drinking fountains and water spigots are located nearby. Camping areas contain centrally located washhouses, equipped with toilets, lavatories and showers with hot water available. In some parks, laundry tubs also may be found. These are not available during the winter camping season.

## Unimproved Campgrounds

These sites also allow ample room for the parking of one car and a camping trailer, or the erection of a tent, although in some areas off-site parking may be necessary. Tables and fireplaces are available and a source of water and a comfort station will be found nearby. Comfort stations are equipped with toilets.

## Cabins

**Summer Season**—Cabins may be reserved for one-week periods during the summer season (Saturday to Saturday), which is from the second Saturday of June through the second Friday in September. Applications may be filed any time after the first of

December, but must be in possession of the Park Service by the second Monday in January. A lottery-type drawing will be held on the third Monday in January for cabin assignments.

**Off-Season**—Cabins may be reserved for a minimum of two nights during the spring, fall and winter seasons. These cabins are available from the second Saturday in September through the second Friday in June. Reservations are on a first-come, first-served basis, and will be accepted beginning the second Tuesday in August.

For a "Cabins in Maryland's State Parks" brochure and required application, contact the Maryland Forest and Park Services, Tawes State Office Building, 580 Taylor Avenue, Annapolis, Maryland 21401, tel: (301) 269-3771.

## Camping in Maryland State Forests

Maryland State Forests have primitive campsites only, without man-made improvements. Camping permits must be secured from the forest manager.

Season: Open all year; Camping Hours: Quiet time, 11 p.m.

**GARRETT STATE FOREST**—Mountain forests, streams and valleys make up the 7,400 acres in Garrett State Forest. In 1906 the Garrett brothers of the B&O Railroad fame gave the State of Maryland 2,000 acres of forest land providing that a state forestry department be established to manage the area. The donated area was originally named Swallow Falls State Forest. The name was changed in 1976 to Garrett State Forest in honor of the donors. Within the Forest are the two oldest State Parks in Maryland.

These are Herrington Manor and Swallow Falls State Parks.

Swallow Falls State Park contains three varied waterfalls: Muddy Creek Falls, Maryland's highest; Swallow Falls, certainly one of the state's most beautiful; and the tranquility bequiling little Tolliver Falls.

**POTOMAC STATE FOREST**—This Forest contains 12,400 acres of trees, streams and wildlife. It is located along Backbone Mountain in the headwaters of the historic Potomac River. The terrain is rugged with elevations ranging from 1800 feet along the Potomac to 2,960 feet on Backbone Mountain. This steep gradient gives rise to numerous fast falling brooks and streams which feed the river. Several of the larger streams are Schell Laurel, Lostland Run and Crabtree Creek.

The possibilities for recreation in the Forest are for the most part of a primitive nature. It offers scenic vistas, camping, hunting, fishing and nature appreciation.

**SAVAGE RIVER STATE FOREST**—This is the largest of Maryland's State Forests and contains almost 53,000 acres of trees, streams and wildlife for your enjoyment. This Forest is located in Garrett County and forms part of the Appalachian Plateau. Within Savage Forest are two State Parks—New Germany State Park and Big Run State Park. These are developed recreational areas offering house-keeping cabins, picnicking, improved campsites and other facilities. Also within the Forest is the 525 acre Savage River Reservoir.

The Forest offers camping, hiking, sightseeing, fishing, hunting and winter sports.

## Historical Sites

**B&O RAILROAD STATION IN OAKLAND**—One of the oldest stations in the country, this Queen Anne-style station was built in 1884 after the B&O had developed a resort clientele for Oakland and Garrett County. The ground the station stands on was used by the B&O Railroad as early as 1851.

The Oakland station is now in the National Registry. It is distinguished by its incised brick, picturesque massing and the mixing of building materials characteristic of this disappearing building style. It was built by the Baltimore firm of Baldwin and Pennington, which constructed a similar station in Laurel, Maryland in 1884.

It is located in Oakland, on Liberty Street, just off Second Street.

**BRADDOCK'S TRAIL**—Built by British General Edward Braddock's army in 1755, under the direction of aide-de-camp George Washington, the trail really is an improvement of the old Indian route, Nemacolin Trail. The General died along this route while retreating from near Fort Duquesne (Pittsburgh) to Fort Cumberland, after a crushing defeat by a small force of French and Indians.

Braddock Trail became a major route west until it was abandoned in the 19th century with the construction of the National Road (Route 40).

The Trail is most readily identified at Little Meadows, one of Braddock's most important encampments and a site often used by George Washington. It is about four miles east of Grantsville on the North side of U.S. 40.

**CASSELMAN HOTEL**—The Casselman Hotel also commemorates the great days of the National Pike. The hotel, still in operation, was first opened as the Drover's Inn in 1824. Many of the early features of the building have been preserved; to the modern traveler, the hotel offers all of the modern conveniences. The hotel has been in operation for over 150 years. It is one of the outstanding landmarks within Garrett County's boundaries.

**CASSELMAN RIVER BRIDGE**—At the time of its construction this was the longest single stone arch in the United States (80 feet) built to permit the possible passage of the beautiful stone work that characterizes Western Maryland.

Once a part of the National Pike running

between Cumberland and Wheeling, WV, it provided an improved method of transportation for drovers, freighters, waggoners, horsemen, stagecoach passengers and pedestrians, when the frontier was the Alleghenies.

When watching its construction people speculated that the bridge would collapse when the supporting timbers were removed. So as to avoid having the general public as an audience should the bridge collapse at the celebration planned for the removal of the supports, the contractor loosened them the night before the ceremony.

The next day the contractor stood under the bridge during the ceremony to prove its worthiness. The graceful stone arch has stood for the past 164 years as one of Garrett County's most photogenic, as well as historic sites.

Built in 1813, the bridge was closed to traffic in 1953 and restored with funds made available by the State of Maryland. In 1964 the Department of Interior designated the bridge a Registered Historical Landmark.

A beautiful setting for a summer cookout or outdoor get together, there is a picnic area with fireplaces and other facilities alongside the bridge.

**CHURCH OF THE PRESIDENTS IN OAKLAND**—All three of the Presidents—Grant, Harrison and Cleveland—who preferred Garrett County to any other place for their vacations, attended services in this stone building at the corner of Second and Liberty Streets in Oakland, Maryland. For some years it was not used, but it is now occupied by St. Matthew's Episcopal Congregation who restored the building to its present handsome condition and is open to the public.

## THE CRANESVILLE SUB-ARTIC SWAMP ON THE YOUGHIOGHENY—

An historic place is one where something has happened, but there is a rarer species of site which simply is history in itself. A silent testimony of time, such as this one.

One of the great natural phenomenas of the state of Maryland, the Cranesville Swamp covers some eight acres producing growth normally to be found only in the Artic regions. It is of particular interest to geologists and biologists because of the

many rare species of flora containede herein. Its growths have a dense lushness, low in height, with greatly varying colors. The swamp can scarcely be entered easily, because of its boggy soil, but is readily identifiable from the surrounding road by the evergreens within and around the swamp.

Take Liberty Street from Oakland where a few miles out of town it becomes Herrington Manor Road. After driving another few miles make a left onto Oakland-Cranesville Road. Make a left turn after Bell Ringer Antiques onto a dirt road and after traveling

on this road for approximately 1/2 mile make a right turn onto another dirt road. After traveling on this road (approximately 1/2 mile) you will see a large stone marker with a copper plaque. At this marker there is a path where you may walk to the swamp.

Knowing what it is, the passerby cannot look at it without a sort of hush in spirit. And, in merely looking at it, one feels an awesome strangeness. Very seldom can you see a landscape so invested with antiquity.

**FRIENDSVILLE**—The site of the county's first settlement (Selbysport being the oldest town) in Garrett County, Friendsville was named for John Friend, Sr., who came to the area in 1769 and bought the land there from the indians. When the C&O Railroad was built in 1890 the town became an important shopping point for the lumber products.

Friendsville, located on Rt. 48 along the Youghiogheny River, is now most noted for its very popular annual fiddlers competition. (See Special Events.)

**GARRETT COUNTY HISTORICAL MUSEUM**—The museum first opened in November, 1969 and is operated under the auspices of The Garrett County Historical Society, Inc. Many artifacts which are important to the historical and cultural development of Garrett County are preserved in the museum. Visitors are always welcome at the museum. Many hours of delightful reminiscing awaits every visitor. The many exhibits and displays portray the people of Garrett County, their way of life and their progression through the years. There is no admission charge. The museum is open 10 a.m. to 4 p.m. every weekday beginning in June. The museum is also open every Saturday from 10 a.m. to 12 noon. Special tours may be arranged. Those desiring additional information about the tours should contact Mrs. Robert Ruckert, 334-2393 or Mrs. Martha Lou Ashby at 334-2495.

**GRANTSVILLE**—Grantsville is located 2 miles south of Mason-Dixon Line on Route 40. A pleasant community, Grantsville is in the heart of some of the most productive farmland in the region.

As the oldest and most historic section of Garrett County, Grantsville is the site of many historic landmarks. For example, the visitor will find the Casselman Hotel, built in 1824. It was first used by drovers and farmers traveling westward over the National Pike. Still in operation, the Casselman Hotel offers services to today's traveler.

The National Hotel, built in 1843 has been in continuous operation since the days of the Old National Road.

The oldest grist mill in Garrett County, Stanton's Mill, is located at Grantsville. The mill dates back to 1797. Still in operation, Stanton's Mill is an interesting stop for any visitor.

**MOUNTAIN LAKE PARK**—from 1882 until 1942, was a Chautauqua-type resort, having as many as 28 hotels and boarding houses in 1912. Thousands of visitors from all over the east would visit the Park every year to partake of the cool, clean mountain air and the numerous cultural, educational

and recreational activities offered by the Chautauqua program. Wealthy families fortunate enough to own their own homes in the Park would bring their servants, animals, and in later years, automobiles, via the B&O Railroad and spend the entire summer. President William Howard Taft, William Jennings Bryan and the evangelist, Billy Sunday, were just three well-known individuals who visited the Park and spoke before huge audiences. Many of the musical, dramatic and oratorical performances were presented in a 5,000 seat amphitheater.

A portion of the Park with a number of Victorian houses has been listed in the National Register of Historic Places.

**OAKLAND**—Placed on a plateau of 2,650 feet above sea level, the county seat of Garrett County was founded 23 years before Garrett County was established. The main line of the B&O Railroad came through Oakland in 1851 boosting the community's development as a commercial center. The railroad was also responsible for the popularization of the Deer Park-Oakland section as a resort area in the late 1800's.

Current existing sites of interest in Oakland include the Garrett County Courthouse, built in 1908 and presently undergoing an expansion and renovation; the Garrett County Historical Museum on Center Street; the B&O Railroad Station and "The Church of the Presidents" St. Matthew's Episcopal Church on Liberty Street; and the Ruth Enlow Library. See other entries in this book for additional information on most of the above listed. Garrett County Memorial Hospital provides the county's health services.

**"OUR FATHERS HOUSE" LOG CHURCH**—Now a mission of the Episcopal Church, this is among the last log churches in the Eastern United States remaining in use today. Reportedly built at a cost of fifty dollars, it is situated in a shady grove along Route 135 at the foot of Backbone Mountain near Altamont, Maryland.

**PENNINGTON COTTAGE AT DEER PARK**—The Pennington Cottage which is located on the north side of the old and once-famous Deer Park Hotel Resort, Deer Park, Maryland, was designed by Mr. Josias Pennington in 1892. This is a large three-story summer cottage with fourteen rooms.

Mr. Pennington was a member of the firm of Baldwin and Pennington, prominent architects, of Baltimore. Among the buildings designed by the Baldwin and Pennington firm were the Baltimore Police Department Headquarters, the addition to the State House in Annapolis, and the Passenger Car Roundhouse at Mount Clare, now the B&O Railroad Transportation Museum, Baltimore.

The Pennington Cottage is located about three miles east of Mt. Lake Park, Maryland, on the south side of Route 135 on the old Oakland and Deer Park Road.

In the early days of railroading, Deer Park played host to travelers and dignitaries from all over the nation. The famous Deer Park Hotel, built by the Baltimore and Ohio

Railroad, served as the central location for vacation and activities. Presidents Grant, Harrison and Cleveland came to Deer Park for summer holidays.

**THE SANG RUN AREA**—Out of its magnificent resources the county has produced a book which, for a hundred years, has rated as a great hunter's classic. This autobiography is "Forty-four years of the Life of a Hunter," written by Meschach Browning, Maryland's most noted hunter. His famous rifle is now on display in the Smithsonian Institution.

Meschach Browning settled in this area, known at one time as the "Singing Ground." His hunts in this region northwest of Deep Creek Lake made him a legend.

In its very name, the Sang Run County contains a reminder of a plant that has long association with American mountain life—that is ginseng, shortened by the mountaineers to "sang." Its market, however, has greatly decreased from the days when the dried wild root was so valued by the Chinese for medicinal purposes and drew the astonishing price of over one-hundred dollars a pound! ■

Shawn Williams hooked the biggest catch of the day with this largemouth bass at the First Annual Kid's Fishing Rodeo. For information about this year's rodeo contact the Deep Creek Lake-Garrett County Promotion Council

# Garrett County History.

**HISTORICAL SKETCH OF GARRETT COUNTY**—Garrett County was created in 1872, the last date of all Maryland Counties created. Moreover, unless the constitutional

provision requiring an area of at least 400 square miles for each new county is amended, there will be no new counties formed in the future. "Laurel" was con-

sidered as a name for the county, but local sentiment was overwhelmingly in favor of Garrett, in honor of John W. Garrett, who was at that time president of the Baltimore and Ohio Railroad.

The method followed in the erection of Garrett County is unique in Maryland history. A permissive clause for the erection of a county in the area now included in the bounds of Garrett County was inserted in the constitution of 1851 (Art. 8, Sec. 2).<sup>\*</sup> Nothing was done about the matter, however, until 1872 after two subsequent constitutions, 1864 and 1867, had provided that any new county must have an area of at least 400 square miles and a population of at least 10,000. Serious agitation for another Western Shore county began after the creation of Wicomico County on the Eastern Shore by the constitutional convention of 1867. By 1871 it was conceded that all constitutional requirements had been met, and the Assembly created Garrett County by act of April 1, 1872 (Acts 1872, ch 212.) The bounds were fixed by the act:

That all that part of Allegany County lying south and west of a line beginning at the summit of the Big Backbone, or Savage Mountain, where the mountain is crossed by Mason and Dixon's line, and running thence by a straight line to the middle of Savage River, where it empties into the Potomac River; thence by a straight line to the nearest point or boundary of the State of West Virginia; then with the said boundary to the Fairfax stone, shall be a new county, to be called the County of Garrett; *provided* the provisions of this act as to taking the census of the people and the area of said new county, and the sense of the people therein, shall be complied with in accordance with the constitution of this state."

These boundaries consist of three straight lines on the west, north, and east and the Potomac River on the south. The southern boundary of the county lies on the right bank of the north branch of the Potomac, whose waters are accordingly within the limits of Garrett County. The northern boundary, fixed by that part of the Mason and Dixon line which had no permanent markers, was not known exactly until the resurvey of that line undertaken by the states of Maryland and Pennsylvania some time later. The eastern boundary was long in dispute because of the difficulty of surveying the line required by the act. The western line, which also marks the common boundary of Maryland and West Virginia, could not be drawn exactly until the boundary dispute between these two states was settled. When all its limits were fixed, Garrett County was found to have an area of 662 square miles, making it the largest county in the state.

**BACKGROUND—HISTORY**—The history of Garrett County is a record of peaceful settlement and development. No battles were fought here, yet most of the great events and forces of American History played a part in the growth of the county.

The development of several important roads served to open the county to settlers. In some instances the Indian trails were widened. One such trail, Nemaquin's Path,

passed through the northern part of this county. General Braddock's army, in 1755, followed this route and cut the first wagon road from Fort Cumberland through the wilderness to the Great Meadows near Uniontown, Pennsylvania. Along this road occurred the opening battle of the French and Indian War when the young Colonel George Washington was defeated at Fort Necessity. This old road remained in use for a number of years.

The Old State Road (the Winchester-Morgantown—Clarksburg Road) built in 1789 through Garrett County was used by settlers going to the new lands opened up by the Louisiana Purchase.

The first great highway linking the eastern and western sections of the United States was the Cumberland Road, which passed through the northern section of Garrett County near the old Braddock Road. This highway, built by the Federal Government between 1811 and 1819, soon became known as the National Road and today is part of U.S. Route 40. The town of Grantsville, named for Daniel Grant of Baltimore, grew up along this highway.

The Northwestern Turnpike, another famous east-west route, crossed the southern

part of the county. It was proposed by George Washington and surveyed by Crozet, once a soldier in Napoleon's army in Egypt who was then engineer for Virginia. This famous pioneer route is now part of U.S. Route 50.

Only a few settlers came into the area before the Revolution. John Friend, Sr. and his brothers established the first permanent settlement, "Friend's Fortune," at the mouth of the Youghiogheny River, now the town of Friendsville, in 1765. The noted hunter Meshack Browning, describes the early days of pioneer life in his book, *Forty-four Years in the Life of a Hunter*.

The building of the Baltimore and Ohio railroad through the mountains in the 1850's had an even greater effect on the growth of the county than the coming of the highways. After the construction of the railroad through the southern part of the county, new farm lands were cleared, timber and coal resources were developed, and towns were built along the route. Oakland was laid out in 1849 near the little settlement of McCarty's Mill. Bloomington was laid out in the same year as a coal mining center, and Swanton grew up as a shipping point for lumber.

#### Garrett County History Continued

After having been part of Allegany County for 83 years, Garrett County was formed in 1872. Oakland, the commercial center for the Southern area, was chosen as the county seat. The county was named for John W. Garrett of Baltimore, who, as president of the Baltimore and Ohio Railroad, had done much to further the development of the area. During his presidency, the railroad built large summer resorts in Deer Park and Oakland. Deer Park became a resort for the wealthy before 1900. President and Mrs. Cleveland spent a week of their honeymoon there in 1886. The town of Mt. Lake Park was organized in 1881 as a summer religious and cultural center. After 1900 Garrett County's popularity as a summer resort declined, but the coming of Deep Creek Lake and the State Parks reversed the trend.

Coal and lumber have always been important industries in the county with the communities of Kitzmiller, Shallmar, Vindex, Kempton, and Jennings developing as mining centers, and Friendsville and Crellin as lumber and coal areas. Grantsville and Accident have remained primarily agricultural centers.

The Garrett County Historical Society was organized in 1941 under the leadership of the late historian Captain Charles E. Hoye, who edited its quarterly publication, the Glades Star. The magazine circulates throughout the United States to more than 500 members and has been continuously published for forty years. The Society maintains its own building on East Center Street in Oakland, the Garrett County Historical Museum, Mrs. Lewis Jones, curator.

**GEOGRAPHY**—Garrett County is located in the extreme western section of Maryland. It is bordered on the north by Pennsylvania and on the west and south by West Virginia. Roughly triangular in shape and containing 662 square miles, it is the largest county of Maryland in land area. The Potomac River forms the southern boundary and meanders irregularly north-eastward to the Allegany County line. The 1970 population is approximately thirty-one persons per square mile. It is among the more sparsely populated counties in the state of Maryland.

The topography of Garrett County is largely mountains. All of the county lies within the Appalachian Plateau. The average elevation of the county is 2,300 feet above sea level. There are five main mountain ridges, Backbone Mountain, Savage Mountain, Meadow Mountain, Negro Mountain and Winding Ridge. The highest point in the county is Backbone Mountain, 3,340 feet. The lowest point, 900 feet, is in the middle of Savage River where it empties into the Potomac.

There is a continental divide in Garrett County. It runs along the crest of Backbone and Meadow Mountains; the water flowing down the east slope goes into the Chesapeake Bay via the Potomac River. The water on the west slope flows into the Gulf of Mexico, via the Youghiogheny, Monongahela, Ohio, and Mississippi Rivers. The main tributary of the Potomac is the Savage River on which a large flood control dam was built. The Casselman River is the main tributary of the Youghiogheny.

**ECONOMY**—Garrett County is predominantly a farming community. Most of the privately owned land is used for farming. The area around Deep Creek Lake and the various towns are exceptions.

Garrett County leads the state in the production of hardwood and supplies lumber and supplies many other forest products.

Deep mining and strip mining occur in the basins of the Upper Potomac, Casselman, Upper Youghiogheny, Lower Youghiogheny and in other areas of the county.

The area's mountainous terrain combined with Deep Creek Lake provides many opportunities for both summer and winter sports, therefore, recreation is a major factor in the county's economy.

A number of industries are located throughout the county. In 1970 the firm of Bausch and Lomb built a large plant in the county. The firm became operational in 1971.

**INCORPORATED TOWNS**—There are eight incorporated towns in Garrett County: Accident, Deer Park, Friendsville, Grantsville, Kitzmiller, Loch Lynn Heights, Mountain Lake Park and Oakland. They provide various services within their jurisdiction and levy property taxes to meet their expenses. Each town has a mayor and council chosen in non-partisan elections. County voting registration does not include municipal voting privilege, and municipal elections are not held simultaneously with county and state elections. Citizens should consult their municipal authorities to determine where and when to register for municipal elections and when elections are held.

The view of dozens of sailboats skimming the lake in competition is breathtaking. Maryland State Rebel, Jet 14 and Flying Scot Championships are held annually at Deep Creek Lake. The Maryland State Championship Invitational Regatta is held each year.

## ... because we know the territory

Whether you're looking for a private lakeside retreat or a wilderness hunting camp, chances are Garrettland Realty has the property that will suit your needs. With over 660 square miles of land area, Garrett County is the largest county in the State of Maryland and no one knows the county like we do. We know where the access is good and where it's impossible. And, best of all, we know which banks can provide you with financing and those properties that offer special owner financing.

# Once Is Not Enough . . .

... to vacation on Deep Creek Lake. And two big reasons families return are the unique lodgings found at Alpine Village and the meals and memories made at Silver Tree Inn dinner restaurant. With over 30 wooded acres on the shore of Deep Creek Lake you have room to relax in the heart of this mountaintop vacationland . . . and the nearly 3900 acres of Maryland's largest freshwater lake lap our shoreline. So start planning that first visit, or one of many return trips, by calling for a reservation, or we'd be happy to send you our brochure.

## Silver Tree Inn

Is the place for incredibly edible dinners. The varied menu, 1890 decor, comfortable ambiance, and restful lounge give everyone reason to return again and again. Open every evening on the Glendale Bridge Road behind Alpine Village. Tiffany Green banquet room available.

Choose from a private chalet or master bedroom in our lodge and unwind with us year-round. Docks, many rooms with fireplaces, outdoor pool, beach, efficiencies . . . all this will certainly have you coming back.
